In the morning and at the end of the day we operate a voluntary one way system around the lanes at school. This helps to avoid congestion and helps with safety.

You should arrive and leave by driving up the hill along Whiddon Lane past the school – see map on last page of newsletter.

Dear Parent/Carer

The school year is really underway now, the first class trip (Class 3 to Kents Cavern) has taken place and on behalf of the children I would like to thank the staff and volunteers for making the exciting cave visit go so well.

The Life Education Caravan will be at school on Tuesday 24th and Wednesday 25th September. It is a mobile classroom which will be situated in the car park. From 3:05pm on Tuesday parents will have the chance to meet with Helen Morrell, the educator, and find out what goes on inside!

The Marwood School Association have sent out information about the essential role they play in and around the school. Their Annual General Meeting is on Tuesday evening at 7:30 pm in Class 4 – all are welcome.

The children have elected their school council representatives and their first meeting took place today. Having 'pupils' voice' really puts the life and energy into Marwood School and I am looking forward to working with them this year.

Kents cavern!

First we got on the bus and it took 2 hours, when we arrived we had a fruit break. When we got to the cave Ellie and Elliot our tour guide told us how the Stone age people kept the animals out. They kept the animals out by putting fires around where they slept. Some people were scared but mostly exited. After the cave we had lunch then did the woodland trail in the woodland. After that we did the activities. one of them was the gem stone finding and the other was feeling the replicas. Then we watched Toy Story 3 in the bus on the way back.
