NEWSLETTER

Dear Parent/Carer

Christmas is coming: Class 4 are planning their enterprise games for 6th December MSA Fair and Mrs Rowe is taking bookings – via the school office – for the Senior Citizens' Christmas lunch on Wednesday 4th December. The MSA are looking for volunteers to run the fair on the 6th, please consider how you can help. Our first festive event which you and your family are invited to is the Marwood Church Christingle Service on Sunday 1st December usually at 4pm to be confirmed next week, at Marwood Parish Church. Members of the church community will be making Christingles with the children at school on Friday 29th November.

Next week we welcome an ex Marwood pupil, Ed Liddon, for a week's teaching experience. Ed is training to be a secondary teacher; we are looking forward to hosting him in Class 4; talking about what has changed and helping him get the experience to develop his career.

Reading – Please make sure you take the time to read with your child at home. Children from foundation to year 6 have a reading record and we would like someone at home to make a note about reading at least weekly, more is better. Staff in all classes will be reviewing reading records next week.

Ofsted and Parent View – Governors, staff and I are working hard to prepare the school for our next inspection. We believe that Marwood School is a good school and that we offer a great education for your children. Please note that it has been a long time since our last inspection and the expectations for the grade of 'outstanding' are to be exemplary in everything. We believe there are always things we can do to improve and we would like parents to assist us. Please go to <https://parentview.ofsted.gov.uk/> and fill in a survey. If you really want to help please talk to Liz Quick or I about the work of school

governors.

B3230 Muddiford Road – Devon Highways are planning to work on the road between Muddiford and Plaistow for 11 weeks starting in January. This will be a full road closure with diversions in place. I will share further details with you when I know more. I have requested signage around the school to alert drivers.

Marwood Matters new website – please take time to view the new site <https://www.marwoodmatters.com/> it has very useful links.

Congratulations to the 14 children from class 3&4 who took part in an inter-schools climbing competition this weekend. They all were brilliant, showing great skill, courage and team work.

Marwood team came a brilliant 3rd overall.

A special mention goes to Thomas Jeffery who came first in the boy's yr 3/4 group. Well done
