Dear Parent/Carer

Safer Internet – I am about to start a sequence of assemblies on using the power of the internet and connected devices for good. Parents can update themselves on how to ensure children are not at risk at home or in the community by following guidance at; <https://www.thinkuknow.co.uk/> and <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Lunch Time rota for volunteers is held in the school office. Please consider giving an hour at lunchtime every couple of weeks. The role is to supervise children in the lunch hall and at lunch play between 12:00 and 1:00. Please talk to your children and ask them what happens. We are not looking for people to do five days a week; 5 people doing a day each would be wonderful. Safeguarding checks will be undertaken for employed staff and volunteers.

Climate Club – Have had their first meeting, their first focus is on waste plastic and its effect on the environment. Some parents have contacted me about the idea of ‘meat free Mondays’ for school meals. This is an important area for discussion and I am happy that the children’s voice has raised the debate. We do not currently have any meat free days on the school three week menu cycle. There are two vegetarian options available daily.

Marwood Beavers, Cubs and Scouts – We have agreed that this successful scouting group should have their own storage container at school (similar to the one in the school car park.) Work starts this weekend on preparing the site next to the school’s sewage treatment plant on the field.

Braunton Parent Carers' Support Group

We are a parent led support group for parents and carers of children who have, or might have, special educational needs and or disabilities in Braunton and surrounding areas.

Come and join us!

We meet on the first Thursday of each month for coffee and chat, upstairs in SQ Braunton, term time only. If the first Thursday of the month falls in a school holiday, we will meet on the first Thursday after schools go back.
