

Marwood Primary School Newsletter

03/07/20

Dear Parent/Carer

We have two weeks left of the summer term. It is a time we would normally fill with; activities, productions, trips, sport, an open afternoon and celebrations. Although we have not been able to do these this year it has been good to share the success of young people's learning at home and school through the newsletter. Mrs Griffin and Mrs May on the Teams calls have really appreciated seeing as many children as possible and finding out what has been going on in children's lives; as well as setting them challenges. Please keep up the great work of helping your children learn over the rest of this term.

Planning for September

The government have published the guidance for the full reopening of schools. Staff, governors and I will be working over the next few weeks and in early September to enable all children in all year groups to return full time to a Covid secure school. Hygiene and distancing rules will remain, though children in a class will not have to distance from each other. We can expect more clarification over the next few weeks. If you wish to speak about your child returning on September 7th please email me.

Drop in afternoons – We have now had year 2 and year 6 have an afternoon visit. It was great to see children who have not been at school since March and to hear about what they have been doing and what they are looking forward to in the new school year.

The other dates are:

- Thursday 9th July - Year 3
- Friday 10th July - Year 4
- Thursday 16th July - Year 5
- Friday 17th July - Year 6

Time: 1:00 – 2:30 dropped off and picked up from the school / community car park. Children at school in the key worker groups on those days will be able to join in, and where possible should be picked up at 2:30pm.

Kind regards

Alun

School news

Mrs Bennett – “In our class 3 bubble we have been busy working on our Oak lessons, mixed in with topic, PE and music. We are all very proud of our work, thoughts, and feelings on our PHSE topic of Black Lives Matter.

We hope you like our display. Myself and Mrs Nancekivell also contributed with our own thoughts on leaves too. The children coped very well doing the display in a very hot class 3!

In class 3 we have also been busy designing our dream house of the future and thinking of what gadgets we would have in them! It was lovely to welcome the KW year 2 children and they have all settled brilliantly. Here are a couple of photos from our badminton lesson!
