

Marwood Primary School Newsletter

8/1/2021

Dear Parent / Carer

The new year has certainly got off to a start with a bang. I thank all the staff who scrapped our original plans for this week on Monday evening (as the whole country had to do) and have put the contingency plan in place for critical worker and vulnerable children in school and all others at home. It is not where any of us wanted to be, but we are determined to do the best we can for all Marwood's children.

This lockdown feels very different with many more children in school than last time and all staff in school. This is not just in Devon but reflected across the country. Staff and I at Marwood are risk assessing our provision to make it as Covid Secure as we can. All the same Covid 19 rules, isolation, test, track and trace remain in place and we need everyone to follow the guidance to stay at home whenever possible to protect the NHS and stop the transmission.

Home learning – available on the school website www.marwood.devon.sch.uk under each class on the learning tab. A good number of people have given feedback and we will continue to make adjustments. The Oak National Academy programmes are funded and recognised by the DfE as appropriate lessons for children at home.

Contact with class teachers – please use the emails below noting the working days for the staff and usual school hours.

Teams contact – Next week we will start daily Teams meetings for each Class – rolling out first with Class 4. Class 4 parents have been sent a separate email. Our aim is 15 minutes between 8:45 and 10:00am each day.

School Meals – Staffing in the kitchen has been reduced with one member furloughed. Mrs Rowe will be cooking on her own; please see next week's menu on the page below. She is determined to produce great food as normal.

Kind regards

Alun
