

## Marwood School Sports Premium Impact Statement

This page provides some background to the impact that the Sports' Premium has had in the past.

### **PE Impact Statement 2020-2021**

- All weather Trim Trail being used for active playtimes and now fully embedded.
- Playtimes are active with children able to access at least 30 minutes of physical activity every day.
- Use of the running track for daily physical activity breaks such as the 'Daily Mile' and use of the field at break and lunchtimes, has been fully embedded and raised levels of activity and stamina.
- Targeted Fun-fit intervention had a positive impact and has been 'closing-the-gap' for some KS1 children.
- Equipment and outdoor storage purchased to encourage active playtimes.
- New equipment for PE shed to enable a range of sporting activities and skills
- Festivals arranged by BLC PLTs attended where possible (Cricket, Essex Dance). Marwood won the Year 5 and 6 Kwik Cricket festival.
- CPD opportunities and use of sports coaches has upskilled staff and enables staff to offer active and engaging PE lessons.

### **PE Impact Statement 2019-2020**

- All weather Trim Trail being used for active playtimes and now fully embedded.
- Use of the running track for daily physical activity breaks such as the 'Daily mile' and use of the field at break and lunchtimes, has been fully embedded and raised activity levels.
- Targeted Fun-fit intervention has had a positive impact in 'closing-the-gap' for some KS1 children.
- Festivals arranged by BLC PLTs attended where possible.
- CPD attended to upskill staff.
