

Marwood Primary School Newsletter

21/01/2022

Dear Parent / Carer

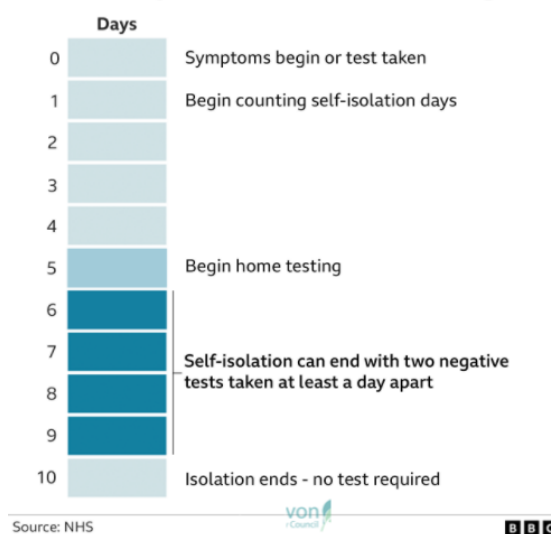

Since the Covid 19 Pandemic began everyone at Marwood School has worked hard to educate and support children; parents and family doing home learning; staff and governors making plans and risk assessments and the children themselves being amazing with great effort and attitude. Your support is much appreciated.

This week has seen an increased number of children off and I am grateful to the families in Classes 3 and 4 who have been daily LFD testing. Classes 3 and 4 are eating lunch in their classrooms and there are no assemblies. Next week we are looking forward to welcoming many children who were isolating back. People can leave isolation if from day 5 they have two negative LFD tests a day apart. Please see the guide on the right.

Once the 10 day isolation period is complete there is no need for further testing and people can leave isolation unless they still have a high temperature.

Covid 19 If your child has to isolate there are learning resources on our website under each class » [Curriculum](https://www.marwood.devon.sch.uk/curriculum) ([marwood.devon.sch.uk](https://www.marwood.devon.sch.uk))

How five-day isolation rule works in England

B3230 Muddiford Road Closure 9:30 am to 3:00pm Monday to Friday from 24th January.

The forestry company have altered their plans from last year and are only having the road closed for 5 ½ hours a day. Unfortunately the road closure will add traffic to the local lane network and may cause delays to parents picking up their children at the end of school. Families coming from Barnstaple can either use the Prixford road or go via Shirwell and Whitefield Hill. Please take extra care in the lanes and remember that other vehicles will not know about our voluntary one way system. I have put the official notice further on in this newsletter.

Kind regards

Alun
